An italian friend of mine intends to remain in England for 2 months for studying and speaking english.  
I remember you said that you would like to have a paying guest, so I should be grateful if you would accept him and give him all the details.  
He is a good boy, he plays football and sometimes, at the week end, he plays tennis, but not very often. In summer he prefers to go to the sea because he likes swimming.

13. - Hello Daniel, how are you? I telephoned yesterday, but you didn't reply.  
- I went to a concert last night.  
- What did they play?  
- There was an overture and a piano symphony of Beethoven, and some songs for orchestra. The piano is my favourite instrument. I like Symphony because it is the music for ballet. I saw the ballet two years ago. -What kind of music do you like?  
- I prefer Verdi's operas. Last year I saw Aida. Of course, the success of an opera depends on the singing.

15. We live in a very nice house. Sometimes my sister plays the piano, my favourite composer is Chopin, and I listen while I drink a coffee  
The pleasure I can find in studying nature on the land, in the sky and in the water is great. I am never tired of looking at the animals that live in our earth and the (trees) that grow on the woods.  
The rivers and the lakes are also part of nature's beauty as well as the deep ocean. I spend my holiday in mountain, where I meet my friends, and during the day we can see on the horizon the Mount Rosa

If you need, we dispose of an interpreter and a guide to visit the town.  
If you want to keep your car here, we have a large garage.
